

THE COLLEGE WITNESSES THE ARRIVAL OF 32 SISTERS TO BEGIN STUDIES

FIRST YEARS' WELCOME CEREMONY
ACADEMIC YEAR: 2017/2018
29TH OCTOBER 2017

The welcome ceremony of the first years in the college was very colourful and successful. All the sisters in the college collaboratively prepared for this day very well. Liturgy was well organized as all actively took part.

The day started with the Holy Mass which was presided by Rettore Magnifico Prof. Leonardo Sileo of Urbana University, accompanied by other two priests. The rector welcomed the sisters and wished them a wonderful and fruitful stay at the college. He also encouraged them to fulfil their mission and purpose of their staying in Italy, far from their various continents and countries. He reminded all to remain focussed in their studies and also not to neglect their spiritual life.

The sisters received and welcomed in the college this year are mainly from two Continents of Africa and Asia. These sisters are from seven different Countries of Africa while those of Asia are from four Countries.
